

Quasset School Advisory Committee
Meeting Minutes of
August 19,2015, 4 P.M.
Selectman's Meeting Room
Town Hall

Present- Myra Pratte, Alan Walker, Victor Toth, Edmond Seney, Val Law, Irene Wheeler and Elaine Lachapelle

4:10 pm the meeting was called to order with the acceptance of the minutes.

The first order of business was the Window Project. Alan Walker, the Woodstock First Selectman, said that he has asked the Finance Board to designate money for Quasset School repairs and window project. \$20,000 has been set aside for our needs but the town has to vote on our use of it in a Town Meeting when we are ready to use it. 8 casings, 8 windows and 10 sets of shutters need repairs. We need to go out to bid as the cost will be over \$5,000. We must fit the age and style of the building and put this information into the bid.

Move the next agenda item to the November 18, 2015, to discuss the possibility of a grant to cover some of the Quasset repair costs.

We will have an extra meeting of the QSAC on Thursday October 1st from 3-4:30 at the Historical Society building to look at and begin cataloging the Quasset items that are stored there. The second meeting will be October 8th to finish the cataloging process and to decide if any of the items can be returned to the Quasset School.

Victor Toth stated that D.Young has a path on his property to the original site of Quasset School. He would not like this knowledge to become public.

New Business-Elaine announced that the Red/White School will be open to the public on October 18th. The time and date will be announced by the Historic Society in early September.

Agenda items-1 Window Project, listing all items for the grant.

2. Going to Bid-What items should be on the bid?

3. Quasset school item review

Motion by Elaine/Vat to adjourn at 4:30p.m.

Respectfully Submitted,

Irene Wheeler,
